

ODOR REPORT FORM

HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 238

This report form is provided to you to aid the District in assessing the presence and character of odors suspected of emanating from its wastewater treatment plant and other District facilities. The District requests that complaints are called in to SevernTrent Environmental Services (281)398-8211 immediately upon detection. This report form will assist you in characterizing and gauging the strength of the odors. It does not need to be filled out, but information from each of the sections is requested. Reports may be filled out by hand and faxed to (281)578-4287, if desired, or delivered by hand or mail to SevernTrent Services, 16337 Park Row, Houston, TX 77084, attn: Mr. Jack Bielat. Your help in this matter is greatly appreciated.
