

# USA Flags

## from the Mayde Creek High School Choir

Mayde Creek High School Choir students have been placing the USA flag across the neighborhood for the past year as a service fundraiser. If you are interested in receiving the flag in front of your residence on six flag days this year, please call Michael Madrid at (281) 237-3594 or you can send in your information and check to the address below (make checks payable to **Mayde Creek High School Choir**). Flags will fly on the following days:

**Veterans Day 2009**

**Presidents' Day 2010**

**Memorial Day 2010**

**Flag Day 2010**

**Independence Day 2010**

**Labor Day 2010**

The cost for this service is \$36.00. Monies raised through this project will support this year's musical production, senior scholarships, summer choir camp scholarships and other choir activities. The choir has placed 264 flags last year with a goal of 400 flags this year. Please help us reach our goal and support the Mayde Creek High School Choir!

Flags to you!
